

April newsletter 2

Well, as we come to the end of another successful two years of the Sunshine Quilt Guild, I would like to thank all those helped to make it so, or should I say "sew". As Vice President, I look back at all the programs we've had and have to say that most everyone was good, some more than others. Thank you to all that help put on these programs and I hope everyone walked away with at least one thing that you didn't already know about quilting.

We had two great bus trips and hope to have more in the future..I know there was some money spent in those quilt shops that we might not have gone to...we did our share to help the economy, Mr. President!

The project that was most dear to my heart was the Hospice Quilt Project. We, as a group made and donated over 75 quilts of various sizes to the Tidewell Hospice. I personal want to thank all that made or worked on these quilts. Some came to workshops, some did quilts as a cottage group, some pieced tops and others quilted them, and still others sewed on bindings and labels. My hat is off to all of you!

I wish everyone a safe and healthy summer and come back next September to two more years of learning, sharing, and fun.

Keep on Quilting!

Chris O'Dea
Vice President
